

FEE STRUCTURE

The payment of the school fees is collected in the school office.

Fees are deposited on a quarterly basis. Fees are accepted in the months of April (for the months April to June along with supplementing annual charges etc.) July (for the months July to September), October (for the months October to December), and January (for the months January to march).

The last date to deposit fee for a given quarter is 10th of the first month of the given quarter (as specified above). After the 10th, late fees of Rs. 20/- will be charged.

If the fee is not paid within three months, the pupil's name will be deleted from the School Rolls, and re- admission would be possible only after the clearance of all pending dues and in consultation with the principal.

Once deposited, fees and other charges will not be refunded under any circumstances. All outstanding payments due to the school must be cleared at least 20 days before the commencement of the Annual Examination in March. The school fee is subject to change as and when required. There will be a fee hike of 10% to 15% every year. Fees will not be received without the fee card.
