

EXAMINATION

1. An Examination will be held at the end of each term and no student will be allowed to take the examinations earlier or later. Those absent from an examination without a grave cause will be considered as having failed: in case of illness a doctor's certificate should be produced.
2. Those who absent themselves in any subject be considered failed in the subject and shall not be awarded any position, and shall not be re- examined. In case of grave illness, a medical certificate to the effect shall be produced.
3. Regular periodical tests will be conducted in addition to the term examinations. Marks obtained in all the test and term examinations will be taken into consideration for promotion.
4. A pupil shall be eligible to appear in the Final Examination only if he/she has 85% of the total attendance.
5. Anyone found indulging in any malpractice during an examination is liable to be debarred from further examination.
6. Criteria for promotion after Final Examination shall be 50% of the aggregate marks obtained by the candidate in all the papers and examinations besides the internal assessment made by the school.
7. Those who seek admission in this school have to accept this scheme of promotion. The decision of the school in the matter of promotion is final and irrevocable.
8. While reviewing each report, guardians are requested to examine the home work diary of the student. It will be helpful in understanding as to why he/she have not come up to the expectation.
9. A student who fails in two consecutive final examinations will have to leave the school.
10. Results declared at the end of the year are final and will not be reconsidered, nor will the answer paper be shown. If re- evaluation is sought, expenses incurred will be charged for each answer sheet.

- **Promotion to higher class depends upon:**

1. Regularity in attendance
2. Regularity and quality of day-to-day participation in the class.
3. Opinion of teacher teaching in the class.
4. Written work and projects assigned by the subject teachers
5. Average of the terminal examination.
